

Queen Hortense: A Life Picture of the Napoleonic Era (Classic Reprint)

Excerpt from Queen Hortense: A Life Picture of the Napoleonic Era One moment of bliss is not too dearly bought with death, says our great German poet, and he may be right; but a moment of bliss purchased with a long lifetime full of trial and suffering is far too costly. And when did it come for her, this moment of bliss? When could Hortense Beauharnais, in speaking of herself, declare, I am happy? Now, let suffering and sorrow come upon me, if they will; I have tasted felicity, and, in the memories it has left me, it is imperishable and eternal! Much, very much, had this daughter of an empress and mother of an emperor to endure. In her earliest youth she had been made familiar with misfortune and with tears; and in her later life, as maiden, wife, and mother, she was not spared.
