

Scent of Yesterday 12: Piano Sheet Music

Scent of Yesterday is a collection of classic Persian Pop or folk melodies arranged for solo piano by composer/pianist Fariborz Lachini. Arrangements are in slower pace than the original pieces which makes the series an excellent choice for background music as well as instructional purposes but more so Lachini tries to bring back and reconstruct some of the best but almost forgotten melodies of his home country in his Scent of Yesterday series to a style enjoyable by today's audience. This is the companion sheet music book to his Scent of Yesterday 12 album.
