

## The Day the Angels Cried

The Day the Angels Cried tells the story of an event that made history in the United States of America on June 22, 1980 when a gunman entered the worship services of the First Baptist Church of Daingerfield, Texas. In a matter of minutes, five people lay dead and ten others wounded with hundreds of innocent people wondering if they might be next to face the horror of death at the hand of a madman. For Larry Linam, it was a day that changed his life forever. It was during this worship service that he lost his first born child, Mary Regina Linam, his seven year old daughter.

He uses the book to convey the emotions of anger, fear, hatred, and revenge that consumed his life for more than two decades while maintaining a working lifestyle to care for his family. He was living a life torn by a faith in God and a fear that justice would not be served by the courts. The events that unfold in his book as he bears his heart and soul leads the reader on a journey of a downward spiral brought about by depression, anger, and devastation as he makes attempts to exact vengeance upon the murderer of his child and upon the family of the murderer as well.

The journey will also lead the reader into the joy and recovery that is found when hope is restored through faith in God and friends that never gave up on Larry Linam. He shares how finding forgiveness and giving forgiveness dispelled the darkness in his life and allowed him to tell the story to thousands and the desire to share with more that Gods purpose for believers in Jesus Christ is the most important thing for anyone facing lifes challenges.
