

The awesome figure of Otto von Bismarck, the Iron Chancellor, dominated Europe in the late 19th century. His legendary political genius and ruthless will engineered Prussia's stunning defeat of the Austrian Empire and, in 1871, led to his most dazzling achievement - the defeat of France and the unification of Germany. In this highly acclaimed biography, first published in 1981, Edward Crankshaw provides a perceptive look at the career of the First Reich's mighty founder - at his brilliant abilities and severe limitations and at the people who granted him the power to transform the shape and destiny of Europe. Bismarck is a biographical masterpiece, an opus that is truly magnificent. -The Spectator

Probability and Statistics and its Applications (Higher Economics and Management course series teaching basic mathematics)(Chinese Edition), Publications of the Mississippi Historical Society, Volume 12, Iron Blood: 300 years of the Dmitri Kantemir Dynasty, The Adventures of Shithouse Daisy: A Toilet Comedy Novel Almost Without Toilet Humour, Higher Education: Handbook of Theory and Research: Volume 28, Daughter of Empire: My Life as a Mountbatten, Web Content Management Systeme.
