

Dialogo van een man met zijn ongenode gast De ziekte van Parkinson is een oorlog. Overal strijden mensen met deze kwaal voor het behoud van hun identiteit. Door naar jezelf te luisteren en te experimenteren met oplossingen, kun je zicht krijgen op de krachten die je gestel ondermijnen. Om Parkinson Hotel te verlossen van de destructieve gast moeten we negatieve krachten neutraliseren, anders richten en ombuigen, redeneert Frank van Empel. Hij voert hiertoe een felle dialoog met zijn ongenode gast: Parkie. Zet de hoteleigenaar de gast buiten, of steekt de gast het hotel in brand?
