

## Summary: Business Stripped Bare - Richard Branson: Adventures of a Global Entrepreneur

Complete summary of Richard Bransons book: Business Stripped Bare:Adventures of a Global Entrepreneur. This summary of the ideas from Richard Bransons book Business Stripped Bare shows that the whole object of being in business is to create new things, make them and sell them. The essence of any business is creativity. There is no reverse gear in commerce if you have a problem, you have to invent a solution rather than trying to uninvent what is already there. Furthermore, this summary presents seven elements that need to be in place to really make the right things happen. Your success or failure then flows from the ethics you enshrine and your ability to put those ethics into action. In business, ethics are everything. If you can create a company youre proud of, which does things you feel good about and which genuinely takes a step towards making the world a better place, then youve achieved something very worthwhile.
