

This is a work depicting the real life story of a young man who was born into rags. But God brought him into Blessings which surpasses riches untold. In this book, you will discover how; through the mighty power of God, this young man came through many toils and snares; yet made his way to the cross of Jesus Christ and was saved by the Grace of God; and today, lives a life of freedom from the snares of the enemy (Satan). Minister H. William (Hazel) Lee also shares the heart-rending story of how he witnessed the physical and sexual abuse of his mother during times when she was intoxicated. Lee shares how he sometimes, had to carry his mother in his arms; through the streets of Wabasso, Florida in order to get her home from some slop house; where it was evident that she had been sexually abused. But through all this; by the Grace of God, Lee was able to survive this traumatic time in his life. And now he shares these and many other life-changing stories with you. It is Lees desire that after reading this book, you will be able to find a peace for your life that you never dreamed possible. Lee also shares that; no matter what circumstance(s) you may have experienced in life; no matter what kind of environment or situation you may have come from, you can be whatever you want to be in life. The choice is up to you. Lee also encourages, that you can be free from any bondage that might be keeping you from attaining your Divine Liberation.
