

Allow Me To Explain or Never Put Cat Litter On Your Face No Matter How Badly You Are Tempted

Whether it is a simple trip to the Walmart, a major quest to declutter her house with a thousand items from the 99 Cent store, or unearthing the latest and greatest beauty secret, chaos and hilarity seem to follow as Cheryl looks at life from a slightly different angle (obtuse angle perhaps?). With her whacky sense of humor that she was cursed/blessed with since birth, her big mouth, and the need to explain, Cheryl is able to laugh at life, herself, her family, and the crazy situations that seem to cling to her like that one stray hair affixed to an old sweater that gets stuck in the back of your throat in a windstorm.
