

Coyote Wisdom Visits Brooklyn and Travels the Universe

COYOTE WISDOM VISITS BROOKLYN AND TRAVELS THE UNIVERSE is a memoir consisting of original linked short stories. They trace my discovery of a deep, spirited rapport, spoken and unspoken, between humans and animals based on my encounters in the Sonora Desert, the Texas Hill Country, Brooklyn and Toronto. I first met Coyote in Central Texas, and soon afterwards, in the Sonora Desert around Tucson. She gave me a new perspective on life that I came to call Coyote Wisdom. While these yarns may seem like magic realism, they are based on real life adventures and unexpected events that transformed the ordinary into the wondrous. Aesops Fables for a new age.
