

## Three Minutes More

Michael Stevens already troubled young life has taken a sudden, dramatic turn for the worse. Severely injured, he does not know if he will survive the night. Reflecting on the evenings dreadful events, wondering if he could have done anything to alter them, his thoughts begin to drift. He begins to contemplate his remarkable life, his dysfunctional family, and the unfortunate prospect that he may have to soon answer for his life to God. While vividly recalling the most amusing, distressing, bizarre, and disturbing events of his life, he soon comes to realize the monster you know is far easier to deal with than the monster you dont! Will he get the miracle he needs to make it through the night? If so, will he finally find peace? Authors Note: This book deals with sensitive topics, and is intended for mature audiences only.
