

What Have We Done?

A scathing and brutally honest look at the rapid, moral and spiritual decline of the once greatest nation on the face of the earth, the United States of America, What Have We Done is an unabashed look at the shocking decline of America in all areas, sex, sports, money, freedom of speech and many more. Mark Howards, What Have We Done is a no holds barred critical assessment of the US, a must read for every American citizen. A must, must read, Mark Howards, What Have We Done? Powerful!
