

Dead Men Walking tells the incredible stories of those men and women who have lived their lives behind bars with the constant threat of death by fellow prisoners, or by state execution, hanging over them. What is it like to live out your days inside one of the toughest prisons, knowing you'll never again see beyond the exercise yard? Is it really possible to make friends or form relationships inside? What should you do if you've been sentenced to die for a crime you did not commit? This book examines the life-stories of men who claim to be innocent, men who were eventually proven innocent and those who are so dangerous that life simply has to mean life. CONTENTS: PART ONE : LIFERS including Machine Gun Kelly, The Boston Strangler, Charles Manson, Son of Sam, The Yorkshire Ripper, Dennis Nilsen, Jeffrey Dahmer PART TWO : HIGH PROFILE EXECUTIONS including Julius and Ethel Rosenberg, Derek Bentley, The Night Caller, James Hanratty, Gary Gilmore, Ted Bundy, John Wayne Gacy PART THREE : DEATH ROW USA including Ray Krone, Nick Yarris, Richard Allen Davis, Kenny Richey, Michael Morales, Richard Ramirez, Karl Chamberlain PART FOUR : WOMEN ON DEATH ROW including Ruth Snyder, Ruth Ellis, Velma Barfield, Aileen Wuornos
