

## Diary Of A Sane Man

In a cross between Last Of The Summer Wine and One Flew Over The Cuckoos Nest, set against a backdrop of the brave new world of New Labours end of honeymoon, Fred is the Last Cynical Optimistic Realist. Believing that hes found the perfect niche - three square meals a day plus all the newspapers he can read just for occasionally pretending to be mad - hes not going to be the one to rock the apple cart. Oh, no. Safe from the wiles of women and the woes of the world, hes not going to rock the boat. Oh, no. No, hes just going to sit and observe, and comment quietly on the insanity of life outside. Well, maybe just little one tug of the loose strand of wool on lifes jersey ... Did you know they elected a monkey as mayor in Hartlepool?
