

## The Latest Capture of El Chapo Guzman

The story of the Mexican and notorious drug lord, El Chapo, has acquired all the elements of the Hollywood drama. Starting from the humble start to the massive wealth, high security prison escapes, business genius blended with cold-blooded and violent cruelty, a gun battle, which killed some of his body guards, culminating in a long months of man hunts, a frantic attempt to escape into the sewer, and a carjacking as well as the arrest of some Mexican marines, El Chapo has done quite a lot. In this document, lets take a closer look on how El Chapo was Finally Captured Again. This resource also discusses his narrowest escapes.
