

I Love Lucy: Best Friends (Running Press Miniature Editions)

Now best friends can express how they feel about each other while sharing laughs from televisions all-time favorite pals, the gang from I Love Lucy. They know a best friend is one who will help you peddle your million-dollar salad dressing on skates. If you're caught wearing a potato sack on the Champs Elysees, a best friend is right there beside you in matching burlap. When they find themselves spending the wee morning hours stealing cement blocks from Grauman's Chinese Theater, friends will know the first among many Lucy-style lessons on friendship found in this book: No matter how wacky the scheme, a best friend is with you through thick and thin!
