

Embracing Disruption: A Cloud Revolution Manifesto

This book is a Kickstarter funded collaborative effort that started 2012. Our goal was to write an easy to understand book about the cloud that covered the philosophy that underlies it. We wrote this book so that it would be accessible to everyone. Food trailers swiping credit cards on their smart phones. Arab revolutionaries toppling dictators with Twitter and Facebook. And entrepreneurs running their entire businesses from an iPad. We wrote this manifesto to explore an exciting world propelled by disruptive innovation.
