

# Faking It: How to Seem Like a Better Person Without Actually Improving Yourself

The prevaricating pros who helped students glide through seven years of college in The CollegeHumor Guide to College are back to show post-grads how to turn life into an Easy A by, well, faking it. From sounding like an MBA to bribing the ma?tre d to acting sensitive post-sex, here is everything aspiring equivocators need to know to B.S. their way to success in the real world. As the authors remind readers: The important thing isnt who you are; its who other people think you are. With this poseurs bible in hand, a generation is poised to go forth and fake it.
