

Fallen Medicine: A Nurses Dark Journey Through Ptsd, Drug Abuse and Sexual Addiction

The emergency room is part war zone, insane asylum, and not all the victims are delivered by red lights and sirens. Sarah Jones is an ER and Trauma room nurse. She cares for those that have been shot, stabbed, accidents. She works hard every day. Sees all sorts of devastating visions one after another. She develops PTSD. She and her family have to deal with, cope and fix the fallout.
