

## Lifes Lessons: All Learned the Hard Way

Lifes Lessons - All Learned The Hard Way, was written to give you, the reader, several things to think about. It matters not whether you or anyone else agrees with a single word I say herein. In fact, an awful lot of people are going to disagree with this whole concept for a wide variety of reasons, most of them being very selfish. You are about to learn some totally different ideas that will be the exact opposite of all the old myths about sex, and life in general. You also be shown some new ideas other than those that the world has lived with since the beginning of religion. FOR MATURE AUDIENCES ONLY!
