

The Best of Grade 2: (Flute)

The Best of Flute is a major collection of the best loved pieces and studies selected by the major examination boards, from current favourites to forgotten gems. These books include the pieces which have captured the imaginations of teachers and students over the years. Technically tried and tested, all the pieces have been rigorously researched by flute expert Sally Adams. A CD of performances and piano accompaniments is included, as well as useful practice tips. In each of the books, one piece from each list of the 2008-2013 Associated Board syllabus is included, enabling candidates to use the books in their graded examinations.
