ARTHUR WOOTENS SHORTS  
Stroke Of Luck: a short story  
Chip Lowell is a sexy, spicy and self-confident celebrity chef who is just about to debut his first television cooking show. But in the blink of an eye, a life-altering incident forces him to change his menu and reevaluate himself and the people in his life. The Dear Henry Letters  
For two years Arthur was the humorist for the London magazine, reFRESH. In each issue of this gay publication he wrote a letter to his exasperating and fictional lover, Henry, explaining the never-ending reasons why they must end their relationship. But as we all know, sometimes breaking up is really hard to do.
