

Gigs from Hell: True Stories from Rock and Rolls Frontline

From the dankest rat hole basements to flash arenas, here is a wild ride through Rock n Rolls nightmare -moments. Rife with hellfire confessionals straight from the bruised lips and shaky hands of jobbing bands, Gigs from Hell strips the mythology and starry-eyed allure of life on the road to its barest essentials-puke, sodomy, rip-offs, come-downs, and the odd stab at glory. Collected and translated from drunken rock-speak by speedball music writer Sleazegrinder, Gigs From Hell is a rare glimpse into what its really liketo tour, record, and survive in the cutthroat world of the -music industry-no holds barred, full speed ahead, the most cringe-worthy moments fully intact.Foreword by Vadge Moore, drummer for the Dwarves.
