

Paula Deen worked very hard to take her last \$200 and turn it into a very successful business and brand. It was an honest statement, it was also a word that would insanely destroy a business empire nearly overnight! No one deserves what happened next! The media frenzy that destroyed a brand to near completion. Society is changing so fast, most can hardly keep up with what is supposedly deemed politically incorrect. Since when did the media and people become so judgmental over others? Who are we to pick and choose whom deserves forgiveness? Will the next word out of your mouth be the next weapon used against you? Additional information about my books can be found on Amazon.com and billyjoedavis.com
