

Master Book of Humorous Illustrations

MASTER BOOK OF HUMOROUS ILLUSTRATIONS is life in America, many years ago. Work was hard. Life was simple. Laughter was free. Story tellers were more numerous then. Since there werent any TVs or movie houses, people flocked to hear good orators. Whether given by a preacher, a politician, or a grandstand speaker at a county fair, their waxing eloquence usually included funny stories. People liked to laugh...they still do. Our parents and grandparents grew up with this type of humor. Theyll be glad to see it again. Im only 49 and much of it made me chuckle. Some of it even makes me laugh out loud! Enjoy. Ken Alley
