

Imperfect Journeys

* Winner NLA-I 2014 Short Story Award
* Imperfect Journeys is a collection of diary and journal entries about BDSM life from the pen of Master Peter, a man who doesn't fully appreciate the nuances of BDSM but who doesn't let that get in the way of him seeing the whole world in terms of domination, submission and play scenes. In two parts, we first see the events of a typical day through the notes in his personal diary. Then, through his journal entries we read his thoughts on his BDSM explorations with his unfortunate slave. Strangely, these explorations never seem to turn out quite as you might expect. At least, he never loses his enthusiasm!
