

# Shadows of Good Son: An American Story

I make outrageous claims of bank robberies, crime rings, head smashing, murder, and football dynasty all backed by newspaper articles. This book is the story of America. Touching so many topics from poverty, social classes, parenting, drugs, crime, having hope in really bad times, teen image, masking problems, and complexities kids have when they grow up with bad parents, but know they are good people. Book shows there is hope to people in struggling situations. It is them! Plot: Shadows of a Good Son is a true-tale of a young man growing up in Eugene, Oregon at the height of the meth epidemic in the late 90s. He watches his once ideal family life turn into a circus straight out of hell. Left alone to figure out the world, he finds an unbreakable bond in a band of brothers like none you have ever seen. With constant chaos all around, the young man has to re-think who and what is important in a land of lawlessness. He is forced to make tough choices between loyalty and his future. The young man must look for answers the only place he knows, within himself. Through stories of adolescent and struggles watch this young man grow-up and come to terms with who he is and what he can be.

.....After getting a sneak peek of an unedited copy, this is what two of my closest friends high school posted on FB. I love it. Ray, there were parts that made me cry. I wished I knew what you were actually going through then. You seemed so together. Thank you for a glimpse into your life, and a walk down memory lane. I bought it and read it all the way through. I felt the same way. How could I have felt so close to him at times and not known what was happening at least not everything...we love you, Ray...wish I had been a better friend to you.....  
 .....Author: I grew up in Eugene,

Oregon. Bachelor of Science University of Oregon, Political Science, 2004 I am proud Father of three children; two girls and a boy. Coach youth sports The Target Audience: This book is for anyone going through everyday struggles of America. It tries to show that America is great and there is hope. It is you!
