

Is Sex Necessary? Or Why You Feel the Way You Do

The first book of prose published by either James Thurber or E. B. White, *Is Sex Necessary?* combines the humor and genius of both authors to examine those great mysteries of life -- romance, love, and marriage. A masterpiece of drollery, this book stands the test of time with its sidesplitting spoof of men, women, and psychologists; and more than fifty funny illustrations by Thurber.
