

Never: Jens Pulver And the Wednesday Group that Will Change the World

I read Never from cover to cover and it kept my attention the entire book. It had me laughing and shedding tears, all at the same time. I was totally hooked and couldn't put this book down. This will no doubt be a best seller.-Pat Miletich, five-time World Mixed Martial Arts Champion and Coach of Jens Pulver. At the age of thirty-two, Jens Pulver, world-class athlete and the Ultimate Fighting Championships first lightweight champion in Mixed Martial Arts, has seen and experienced more than most people will in an entire lifetime. He has overcome horrendous abuse and unimaginable odds, and continues to inspire everyone who is fortunate enough to learn about his life. Little did Jens know, when he stumbled upon a few brothers in the back room of a sweaty gym, that his life would take on new direction. Burdens would lift, friendships galvanize, and his spirit be reborn. Thoughtfully, methodically, and deliberately, he and his brothers would set out to change the world.
