Heres a snippet from the description for Joels Gems Joel Osteen Jokes Joel Osteen Jokes Every

week Pastor Joel Osteen likes to get started with something funny. Having a sense of humor is an important attribute for all of us to have. We all need the capacity to laugh. After all, joy is a gift from God. We all know theres more than enough negative things in the world that we hear about each and every day, either through the news media or even in our own lives and the lives of those around us. Are You a Light Hearted Person? I personally feel that we should always be looking for things that make us laugh, chuckle or smile. I like the feeling of being a Light Hearted person and I hope you do too. I am arguably Joel Osteens biggest fan but rather than argue about it, Id prefer to just give in to anyone else who feels that they are a bigger fan than me. I currently weigh about 170 pounds so if you weigh more than I do, I guess you have a valid point. Now did that make you laugh, chuckle or smile? Perhaps you just found it a tiny bit amusing. In any case, if it did, I suspect you may enjoy this collection of Joels Jokes that I have put together all in one place that you can read in one sitting if youd like. And if youre like me, youll enjoy telling them just as much as reading them. Joel states upfront that the jokes are not doctrinally correct... that theyre just to make us laugh so I too want to mention that here. If you love JOEL OSTEEN youre sure to enjoy this Double Combo Pack! Scroll up now to get this Kindle Daily Deal Today!
