

Fallen Angels, Second Edition

The very fabric of heaven has been torn asunder and the obedient struggle in all-out war against the disobedient. None will escape unscathed when the blood of angels mix with that of mankind. Kreven stands vigilant to do whatever he must to defeat evil, and in that knowledge nothing will deter him from his sanctified path. From the grandeur that is heaven, down through the ghettos created by man, to the real seat of evil, which is North Korea. Kreven, a hustler, assassin, and leader of Cravens Claw, is but a tool, a sacrificial lamb with but one goal, seek out, and infiltrate the forces of the Fallen Angels and destroy. For Kreven, it is, and forever will be, a means to justify an end.
