

## My Father The Mid-Wife

An entertaining mini novel designed to keep your attention from the opening scene of the naive young pregnant army wife on a train going to surprise her husband at Camp Rigby. Meanwhile the plot thickens as the supernatural forces of evil verses good clash in the heavens. Added descriptions of angels never seen before and the humor of the baby talking from the womb entice the reader. A healthy splash of military leadership and problem solving is refreshing in our world of today. Ultimately the reader is rewarded with a life changing serendipity experience as they discover My Father The Mid-Wife.
