

They Killed My Son! (Volume 1)

You must read this shocking true story of how one father uncovered the truth about the wrongful death of his son, due to medical errors caused by doctors. The knowledge which has been obtained from the actual experience of this father and author, has been accumulated, analyzed, organized, and put into this book to share with the world about the wrongful death of his son, due to: medical errors caused by doctors. This book is suggested to everyone to read as a revelation to the injuries and deaths that take place every day in hospitals all across America, due to medical errors caused by doctors; and sometimes nurses. This book is highly recommended to the following people for the following reason: Anyone who had a loved one who has sustained injuries or death due to medical errors: Learn how this father uncovered the truth and coped with the wrongful death of his son. Doctors and Nurses: Learn how the medical errors in this story occurred so that future medical errors can be prevented. Lawyers: Learn how the medical errors in this story occurred, so that you may be able to assist others; in addition, learn about the legal trials and tribulations that were encountered while this case was being prepared for trial.
