

Lives of the Princesses of England, from the Norman Conquest, Vol. 6 (Classic Reprint)

Excerpt from Lives of the Princesses of England, From the Norman Conquest, Vol. 6 In conclusion, the Author would express a humble hope that these Volumes, though ungraced by brilliancy of genius, and unfraught with eloquence of style, may yet find a permanent place in the historic libraries of her country, as truthfid, and therefore not valueless, rewrds of the princesses OF england. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
