

Lucy & Lisa (German Edition)

Die Betrachtungen unterschiedlicher Entwicklungen in den apostolischen Gemeinschaften im Buch Das Werk des Herrngeschicht nicht im Sinne von Konfessionen mit diversen Einzelentwicklungen, sondern eingebettet in Ereignisse der Gesamtkirche als Werk der Vollendung der Kirche Christi. Nur so sind unsere Ausführungen zu verstehen. 1832 ist eine Erweckung in Erscheinung getreten, die sich an die ganze Kirche wandte. Mit diesem Anspruch betrachten wir, was daraus geworden ist und was unter Umständen noch daraus werden soll. Die verschiedenen apostolischen Gemeinschaften haben ihren Ursprung in einer Trennung in den Katholisch Apostolischen Gemeinden (KAG) im Jahr 1863. Dieses Buch ist ein Zeugnis einer kleinen Gruppe apostolischer Christen an die Geschwister der apostolischen Richtungen. Sie beschreiben ihren Werdegang in den letzten Jahrzehnten in diesen Gemeinschaften, der in vielen Bereichen seine Ursachen in historischen Ereignissen dieser Bewegung hat. Sakramentale Handlung aus jener Zeit, wie z. B. die Versiegelung oder Exkommunikation, wirken bis in die Gegenwart nach und hinterlassen deutlich erkennbar ihre Spuren in der Geschichte dieser Gemeinschaften bis hin zu den einzelnen Lebensläufen. Es geht darum diese Zusammenhänge aufzuzeigen und darüber hinaus auch von dem Weg zu zeugen, den der Herr diesen Geschwistern zur Heilung des entstandenen Schadens gezeigt hat.
