

Mastering Windows 3.11: Internet

The only complete, current guide you'll ever need to using Windows 3.11 and the Internet. Windows 3.1 users no longer need to be left out of the Internet revolution--Robert Cowart has added more than 300 new pages of detailed coverage of Internet Explorer (included on the book's CD!), customizing and troubleshooting the operating system, and enhancing productivity with Windows 3.11. The CD includes valuable utilities and Windows 3.1 programs, plus AT&T World Net Services sign-up software, which gives every reader instant access to the World Wide Web with a single mouse click.
