

Pro-Tip: Humorous nightlife observations on Miami, Americas closest neighbor.

Pro-Tip: Humorous nightlife observations on Miami, Americas closest neighbor.

Pro-Tip: Buy this book...Because.-Shaun Gold, author of Amazon best seller Promoter Mind, Hustler Heart. Are you tired of the same old and boring humor? Do you wish you could read something and actually laugh (not LMFO or LIMBO or whatever the must use net-lingo is). Is your cerebellum craving highbrow amusement? Then congratulations, you qualify for Pro-Tip! Pro-Tip is a perfect pinata of humor and fine fun for both fans of Miami, Americas closest foreign neighbor, and the hit Game of Thrones series. One has zombies, intricate plots, social climbers, exotic creatures from far off lands, betrayal, schemes, foreign languages and the other is Game of Thrones. Within its pages you will experience a decades true tales of insanity, humor, douchbaggery, and laugh out loud moments that resulted from living and working in the menagerie of Miami nightlife. Just look at the advanced reviews: Finally a book that disproves my theory of evolution.-Charles Darwin There are only two great tragedies in life: not getting Pro-Tip and not not telling your friends to get it.-Oscar Wilde In my day, the sun revolved around the world, now with so many people believing the world revolves around them, Pro-Tip makes more sense. Galileo Before I invented electricity. Pro-Tip would have been the perfect book to read nice and cozy in front of the television. Thomas Edison Complete at over 23,000 words, Golds Pro-Tip is a book of booyah injected with so many of nightlifes silly snapshots that readers will be happy to take the observational ride with him.
