

For Love and Money, The Brazil Affair: The True Story of A Family's Quest

In the early 70s, Jack and Marilyn Kelley move with their four teenage daughters from Greenwich, Connecticut to Rio de Janeiro, Brazil, desperate to save their marriage and escape the toxic corporate culture of New York. They become partners with a charming international entrepreneur/US undercover agent. When the seemingly lucrative businesses fail to produce income, the Kelleys discover their partner has another side he has neglected to reveal, and they are thrust into a life they couldn't have imagined. A group of colorful characters fueled by greed, corruption and cafezinho befriend the Kelleys, and Jack finds himself in Belem, a border town on the Amazon River, banding with thieves and murderers to pursue his partner and retrieve his plane and his investment. The Kelleys tell their true story of incredible, sometimes life-threatening adventures far from home against a vivid backdrop of Brazil's exotic beauty and Rio's pulsating rhythm.
