

## One Step Beyond: A Teenage Odyssey in 1980s Los Angeles

One Step Beyond; a Teenage Odyssey in 1980s Los Angeles is a fast, fun, coming-of-age story that captures the spirit of West Los Angeles at the turn of the 1980s. Times were changing from 70s, good-time, party-rockers, to glitzy, manic, punk and new-wavers of the 80s. Just as Dogtown and Z-Boys did for 70s L.A. surf/skateboard culture, Mike Pearson captures the zeitgeist of the New Wave era in the story of his tumultuous, humiliating, and triumphant teen years. It's a nostalgic and bittersweet look into the teen, pop-culture world of L.A.'s beach cities in the early 80s. There was freedom and liberation, but also a recklessness and abandon that sent many kids down a dangerous dead-end path. Mike Pearson was born in Los Angeles in 1964. He is a licensed Marriage and Family Therapist. He worked with California's most severely emotionally disturbed teens for nine years as therapist and Admissions Director at a locked psychiatric program in L.A.'s South Bay. Mike is now a clinician with the L.A. County Department of Mental Health in San Pedro.
