

The Browning Cyclopaedia; A Guide to the Study of the Works of Robert Browning, with Copious Explanatory Notes and References on All Difficult Passage (Paperback) - Common

Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfecti...
