

Above The Fries

Everything Pittsburgh has fries on itsalads, sandwiches whatever! This book is a culmination of silly, stupid and ignernt stories of jagoffery from the Pittsburgh blog, YaJagoff.com. For those who are not familiar with term Jagoff, it refers to stupid politicians, awful sports officials, dumb criminals, bad drivers, ignorant people and so on. However, it is not a swear word, and in fact, it is sometimes used as a term of endearment. Through this series of rants about Jagoffs from all walks of life, Chamberlin writes with passion about Pittsburgh and his love of The Steel City, and he has even developed a cadre of worldwide YaJagoff Catchers who submit their own rantings from wherever they live, which he posts on his site. If you live in Pittsburgh, lived in Pittsburgh or just love anything Pittsburgh, this is the book for you!.
