

A Frontier Life: Being a Description of My Experience on the Frontier the First Forty-two Years of My Life with Sketches and Incidents of Homes in the West...and My Early Work in the Ministry

From inside the book: In giving this little sketch to the public, I shall endeavor to give a brief description of the hardships and trials of frontier life. Speaking largely of my experience and trials with the Indians in different localities where I have lived, I shall also give some amusing accounts of hunting the buffalo, wolves, and other wild animals on the plains, including my trials and hardships in the ministry while laying the foundation for Methodism and righteousness in new and uncultivated fields.
