

Apologia Pro Vita Sua (Illustrated) (St. Dismas Catholic Classics Book 9)

Apologia Pro Vita Sua (Latin: A defense of his life) is the classic defense by John Henry Newman of his religious opinions, published in 1864 in response to what he saw as an unwarranted attack on him, the Catholic priesthood, and Roman Catholic doctrine by Charles Kingsley. The work quickly became a bestseller and has remained in print to this day. The work was tremendously influential in turning public opinion for Newman, and in establishing him as one of the foremost exponents of Catholicism in England. After a brief and unsatisfactory correspondence with Kingsley, Newman began work on the Apologia. A revised version, with many passages re-written and some parts omitted, was published in 1865.

St. Dismas Catholic Classic editions are all new translations, filled with numerous vivid illustrations and are offered at very reasonable prices in order to make these books readily available to the faithful.
