

Summary of The Immortal Life of Henrietta Lacks by Rebecca Skloot Includes Analysis Preview: Rebecca Skloot's book, The Immortal Life of Henrietta Lacks, chronicles the life, death, and immortality of Henrietta Lacks, a young black woman whose cervical cancer cells became one of the most important factors in bringing about important scientific and medical advancements in the twentieth century. Her family, however, did not know until much later that researchers were using Henrietta's cells in their experiments. When the family learned the truth, they endured turmoil and heartache in the decades that followed... PLEASE NOTE: This is key takeaways and analysis of the book and NOT the original book.
