

Surfside (Images of America)

Surfside is a delightful town just north of Miami Beach. With business, residential, and tourism sections, it has the proverbial something for everybody. Founded in 1935, Surfside has developed into one of the most highly desirable places to live, work, and do business in South Florida. Although the town is only one square mile in size, its 6,000 residents, along with its innumerable visitors, enjoy the best of Greater Miamis restaurants, shops, and services. Surfside's proximity to Miami Beach, Bal Harbour, and the Bay Harbor Islands offers residents and visitors the best of both big-city and suburban life.
