

Lieutenant Detective Chris Harris: Homicide

Lieutenant Detective Chris Harris is assigned to the Cold Case File Unit of the Trenton, New Jersey, Police Department. He has selected the twenty-five-year-old unsolved murder of a gas station owner, Martin Gamble, to review. To his surprise, his investigation leads to the involvement of a retired police sergeant and his current police chief, James Harrison. During his investigation, he is arrested by Chief Harrison for the murder of his wife, Gwen, and their unborn child. While out on bail, he is entangled in the murder of a local pimp, and is also accused of that murder. With the help of fellow officers and his astute lawyer, William Mountford, they expose the real murderer during his trial and all hell breaks out. Lieutenant Detective Chris Harris is a spin off of the novel, *The Womens Club*, written by Francis M. Wood, also published by Publish America in 2010.
