

Tree House (Birth of a Serial Killer Book 1)

This my first book in the Birth Of A Serial Killer series, you meet Brian... Brian Crenshaw has an unquenchable urge to watch the warm red blood flow from his unsuspecting victims, funny how a young boy can start out so wrong, so cold. Growing up this way can be a killer of a time for a young man, especially with two Detectives like Tracey and her partner McCoy on his heels. Tree House takes you down a twisted road full of chills, and thrills leaving a trail of bodies along the way. Brian is smart, but is he smart enough to get away and what is the connection between him and Detective Tracey?
