

Travels with a Briefcase is part autobiography, part geography, with here and there a little dash of history. It was originally conceived as the story of the authors working life abroad, minus the work. Peter Knights career took him, for reasons he still finds somewhat baffling, to many far-flung, exotic corners of the globe. In this light-hearted account of his experiences, he retraces his steps to evoke memories and impressions of some very foreign parts.

Club Fed, Christine, Windows Programming Annotated Archives, Wisconsin 1 Step at a Time: Taking Steps to Trample Muscular Dystrophy, Washington, West of the Cascades: Historical and Descriptive; the Explorers, the Indians, the Pioneers, the Modern, Volume 3,
