

The Albuquerque Murders: Before and After

WHAT THOSE WHO SHOULD KNOW SAY ABOUT HOSFORD'S ALBUQUERQUE MURDER Well written and compelling. One of the best crime novels I have ever read. The author weaves a plot that takes the reader from suspicion to sympathy and then to doubt masterfully without sacrificing authenticity and accuracy. Lynn Hodges, Commander of Criminal Investigations, Las Cruces, New Mexico Police Department. Very current and timely considering the corporate ethics and national security concerns in today's world. Well thought out, fast moving novel that sparks your interest till the last page. Edward McLellan, CEO, Pulse Systems, Los Alamos NM. One of the best mystery novels I have read leaving the reader in suspense throughout the story. The characters and plot are well developed. Jim Williams, President of New Mexico Utilities Corporation, Ret. Albuquerque, New Mexico.
