

## The Bathroom Job (Yorkshire Puddings)

The first in a series of humorous tales, aimed at adults, about the exploits of a Plumber called Bob Pudding. Bob Loves his job, shame about the wife and kids! Throughout the series you will be introduced to Bobs family and friends. Disfunctional, ignorant and downright lazy are just some of the words he will use to describe them. Each Plumbing project will be informative and outrageously funny. Not for those who are offended by toilet humour. You have been warned...
