

The Diaries of a Doorman - Bouncers & Bravado: Volume Two

Stu Armstrong is an exciting new author from the North East of England. His first book *The Diaries of a Doorman - A Collection of True Short Stories*, released in December 2013 has been a surprise smash hit and gained Amazon's prestigious 5 star review rating. Stu was so overwhelmed by the amazing response from his readers and the demand for a second book in the series that, *The Diaries of a Doorman Volume 2 - Bouncers & Bravado* is now here! Back by popular demand with the next instalment of *Diaries of a Doorman*, *The Diaries of a Doorman Volume 2 Bouncers & Bravado* is a further collection of true short stories based on the years that Armstrong has worked on the doors in the UK and abroad. This book is another real insight into the funny, tragic and completely bizarre people and experiences encountered by a Doorman. Yes, maybe there is a bit of artistic license in there, but only a bit. Names have been changed to protect the innocent, and the guilty! Far from just more of the same Armstrong delves deeper and darker into the murky world of Bouncers both in the UK & Abroad, with his unique writing style developing this, the second instalment of *The Diaries of a Doorman* is sure to be another critically acclaimed smash hit.
